About The Shows

◆ **Camelot** - In the realm of Camelot, King Arthur has created a utopian land of chivalry and civil rule. But when his beloved Queen Guenevere and his most trusted knight, Sir Lancelot, succumb to their passion for one another, he faces a terrible dilemma that will rock his kingdom to its very foundation. This musical features the songs "The Lusty Month of May" and "If Ever I Would Leave You."

◆ **Jesus Christ Superstar** - The zeal with which Christ's followers are hailing him as the Son of God has become a source of dismay to his disciple Judas Iscariot. Fearing that his tide of religious fervor will provide brutal repression by the occupying Romans, Judas must make his fateful choice between faith and betrayal. This musical features the songs "Everything's Alright" and "I Don't Know How to Love Him."

◆ **Twelfth Night** - Shipwrecked on the coast of Ilyria, Viola adopts a male disguise and enters the service of Duke Orsino, only to find herself part of an unusual triangle of unrequited love. Meanwhile, in the household of the Countess Olivia, Sir Toby Belch and his companies wage a riotous war of wits against her disapproving steward Malvolio. This Shakespearean comedy stars Brian Dennehy.
